## FAMILY CONSTELLATION WORKSHOPS

WITH BETTY IDARIUS & ADAM BULBULIA

EXPERIENCE THE LIFE-CHANGING POWER OF  
CONSTELLATION WORK & PROCESS COACHING® ...

- Transform the family dynamics that have shaped your life.
- Heal partnership & relationship issues.
- Break free from fear & guilt.
- Discover the soul pattern behind illness, addiction & disease.
- Achieve deeper wholeness & live your life to its fullest.

We will set up a shamanic field to help tap into the deeper forces that are at work in your life. You will learn a unique approach for achieving deep emotional healing in the service of manifesting what you truly want. If you're ready to dive deep into the underbelly of what has been running your life, and take charge of manifesting what you really want for yourself and the planet, this work is for you!

**Betty Idarius** is co-director of Process Coaching Center. Her background includes 30 years as a homebirth midwife and 17 years as a classical homeopath. She also has extensive experience in Neuro Linguistic Programming, family constellation work, and mind-body healing. Betty's passion is to bring unconditional loving acceptance to the deepest feeling parts of self, and to help others do the same.

**Adam Bulbulia** is a certified Process Coach & Trainer with over 13 years experience in the healing arts. His experience includes bodywork, Waldorf education, Neuro Linguistic Programming, family constellations & behavioral work with those with autism & developmental disabilities. "I love helping people become the guide on their own path to living their deepest dreams."
