Process Coaching is a unique approach for achieving deep emotional healing in all of our relationships. You will learn the powerfully effective tools and inner art of Process Coaching, a synthesis of Hypnotherapy, Neuro-Linguistic Programming, Right Use of Will, Shamanic Wisdom, Psychic Awareness, and the Intuitive Arts. As you bring the power of love and healing fully into your life, true magic and transformation happens.

Melissa Meader has been working in the healing arts for thirteen years. A yoga teacher since 1999, she brings this same kind of presence to healing on the emotional level with new tools that gently access the powerful unconscious, quickly bringing love and healing to wounded parts of ourselves.
